Letter From

Ceo & Coo

As we reflect on the inaugural year of Good Intentions Foundation, Inc., we are filled with immense pride and gratitude. In just one year, we have embarked on a mission to tackle some of the most pressing challenges in our community, providing essential support such as food, clothing, and educational resources to those in need. Our journey, driven by the principle of good intentions, has already begun to make a meaningful impact.

In our community, the realities of food insecurity and the lack of basic necessities have touched many lives, propelling us, DeJanee and Jeffrey Fennell, to establish Good Intentions Foundation. Inspired by the understanding that every individual deserves the chance to build a sustainable future, we've set out to create a foundation for growth and empowerment.

Our first year has been a testament to what can be achieved with dedication and community support. From distributing thousands of meals to ensure no one goes hungry to providing clothing that offers both warmth and dignity, we've taken significant strides. Yet, the need continues to grow, with more families facing the dilemma of meeting their basic needs every day.

Thanks to the generosity and support of our donors and volunteers, we have laid the groundwork for an enduring mission. While we are proud of what we've accomplished in such a short time, we recognize that this is just the beginning. The challenges our community faces are vast, but so too is our resolve to meet them head-on.

Looking ahead, we are committed to expanding our reach and deepening our impact. The foundation we've built in our first year is strong, but our aspirations for the future are even greater. We envision a world where no individual is held back by the lack of basic necessities—a world where everyone has the opportunity to thrive.

With our deepest appreciation, we thank you for your unwavering support of Good Intentions Foundation, Inc. Your belief in our mission fuels our dedication and inspires us to push forward, no matter the obstacles. Together, we can continue to make a difference in the lives of those we serve.

With heartfelt thanks,
DeJanee Fennell, President & CEO
